A dose of Vitamin Sea

For the 'do nothings,' the 'do somethings' and the 'do everything,' our approach to well-being is to do whatever works best for you. With free group workouts and outdoor fitness spaces, we're redefining how to take care of yourself at sea.

- Redemption Spa offers full amenities and treatments, as well as a Thermal Suite — with a sauna, mud, salt, and steam rooms, hot/cold plunge pools, and marble hammam benches
- All group fitness classes (yoga, HIIT, cycling, barre, and more) are free
- Our outdoor fitness spaces include a boxing ring, training zone, running track, and The Perch — for yoga at sunrise
- The indoor facility, B-Complex, features a space to build and balance (weights/yoga/stretch), and a space to bike and burn (cycling/rowing/running)

Let us entertain you

Swapping classic Broadway productions for exhilarating, contemporary and immersive entertainment, you have the opportunity to choose from a festival-like lineup of shows and happenings. Our shows have been developed by our Creative Collective — made up of the world's most-talked about producers, directors, choreographers and artists.

- The Red Room is our larger-than-life entertainment space and first-ever transformational, multi-form theater at sea
- Immersive experiences and never-before-seen stage productions come together to break the fourth wall and blur the line between audience and performer
- Serenity is all around the ship — with unexpected pop-up performances and delightful happenings at every turn

Our dazzling destinations

Watercolor skies and lapping waves. An exclusive beach club. Unexplored trails and back-alley bars. We've got a path, and a port, for any kind of wanderlust.

- In the Caribbean: Costa Maya and Cozumel/Playa del Carmen in Mexico; Puerto Plata, Dominican Republic; San Juan, Puerto Rico; Roatán, Honduras; St. Croix, USVI; Bimini, Bahamas; and Key West and Miami (our home port) in Florida
- In the Mediterranean: Monte Carlo, Monaco; Funchal and Lisbon in Portugal; Ajaccio, Toulon, Marseille and Ajaccio in France; Olbia, Marina di Carrara, and Cagliari in Italy; and Palma de Mallorca, Gibraltar, Málaga, Cádiz, Ibiza in Spain; Santorini, Rhodes, Chania (Souda), Crete, Mykonos, Corfu and Argostoli in Greece; Kotor, Montenegro; Dubrovnik, Croatia — all from our home ports of Barcelona, Spain and Piraeus (Athens), Greece.
- All Caribbean itineraries will spend a day at our private beach club experience, The Beach Club at Bimini — culminating in a bonfire send-off under the stars
- All Mediterranean itineraries will have overnights in either Ibiza, Spain or Mykonos, Greece.

Food, glorious food

In partnering with famed restaurateurs and Michelin-Starred chefs from NYC, we've ditched buffets and pre-set dining times to bring you made-to-order food. Pairing fresh ingredients and vibrant flavors with ever-evolving ways to experience food, we've elevated and diversified our menus while minimizing waste by only cooking what's been ordered.

- 20+ eateries are all on us — with a bar in every speciality one
- No buffets. No main dining halls. And no assigned seating
- No single-use plastics are ever used on board
- Every eatery has its own kitchen and an executive chef, and all our food is fresh and made-to-order, never mass produced
