## WHO OUR SAILORS ARE

Everyone aged 18 and over is welcome to sail on a Voyage with us, from those who have cruised before but are excited to try something new, to others who are intrigued by the concept of an adventure at sea and changing up their usual vacation.

## CLEVER CABINS

A modern, yacht-inspired aesthetic and clever cabin technology make for more than just a space to live (or sleep). Our spaces are designed to give you sweeping views of the horizon as our mood lighting intuitively matches the light from the oncoming sunset.

## THE SPECIFICS

With our Voyage Well initiative — which includes, but is not limited to, enhanced cleanings, contactless experiences, a new air purification system, reduced capacity, and frequent testing and vaccine requirements — we've made sure sailing safely is our top priority. And based on their own assessments, the UK has determined that its citizens can safely sail this summer.

So at this time, only residents of England, Scotland, Wales, and Northern Ireland will be sailing on our Summer Soirée Series — with Sailors aged 18+ vaccinated against COVID-19. Additional testing and protocols will be confirmed closer to sailing — all in line with the most up to date recommendations from the UK government.

## THE SAVINGS

It's been a long year, but the sun is shining and the ocean is calling — so it's time to treat yourself to some not-so-distant plans. For the month of May exclusively, book any voyage and get 10% off and up to \$200 in onboard credit. Plus, we'll add an additional \$100 when you pre-purchase a bar tab.

## THE EXPERIENCE

With an entertainment line-up showcasing our very best experiences — we'll be giving you a glimpse of the immense talent we're so thrilled to have on board. And as an ode to our roots, both the United Kingdom and rock'n roll, we'll be highlighting some local musicians and artists who haven't been able to go on the road (or sea) over the past year.

Plus, every sailing includes \$600 in extras, like incredible dining options (all made-to-order and with menus by Michelin-starred chefs), unlimited WiFi, basic beverages, all gratuities, and group fitness classes.
